

# Check up

from: HumanUP CIC

**Price:** £29.00

**Date:** 2018-11-14 18:13:22

**Expiration Date:** 0000-00-00 00:00:00

## Description

After your atlas tune up it is necessary to have a check up after one month, after four month and after one year. Then once or twice a year. We discuss any changes and offer advice if needed, manually feel atlas positioning and you receive one pressure on each side if needed.
