

Cone Roof Storage Tank

from: DFC Tank Pressure Vessel Manufacturer Co Ltd

Price: £100,000.00

Date: 2020-01-17 02:36:42

Expiration Date: 0000-00-00 00:00:00

Description

China Cone Roof Storage Tank Factory Offers Cone Roof Fire Water Storage Tank, Above Ground Welded Tank, Steel ASTM A36, API 650, Max Over 260000 Gallon. Name: Water Storage Tank. Material (Reinforcing Pad): A36. Material (Submerged Piping): ASTM A53B. Covering Standard: API 650. Specification: ID 13000mm X H 8000mm. Capacity to Top of Shell: 1,061 m3. Working Capacity: 1,000 m3/1,000,000 Litre/Approx. 264,172 Gallon. Design Liquid Level: 7.53 Meter. Tank Weight(Empty): 571,955 N. Tank Weight(Full of Water): 9,835,394 N. Max Operating Temperature: Ambient. Allowable Stress: 160 Mpa. Mini Design Metal Temperature: -1?. Shell Joint Efficiency: 0.85. Bottom Seams: LWTSO. Fixed Roof Seams: LWTSO. Shell Seams: DBW. Project: Mining Project in Saudi Arabian. website: <https://www.dfc-tank.com>
