

Voltaic Electrical

101B Abbett St
Scarborough, WA 6019
Australia

Phone: (08) 9444 9170

Need a local, reliable Perth electrician? Voltaic electricians are based in Scarborough and service residential and commercial clients in Perth and surrounding suburbs. Some of the services we provide include private power pole replacement, EV charger installations, emergency electrical services, switchboard upgrades, light installations, electrical safety checks and more. We offer 24/7 emergency electrical service, being on call to attend faults and emergencies through most of the night & weekend, making us your go-to emergency electrician in Perth! Website:
