

Criminal Injury Ltd

United Kingdom

Criminal Injury is a specialist organisation that helps individuals who have suffered physical or psychological harm as a result of violent crime claim compensation. The service supports victims in recovering costs for medical treatment, lost earnings, rehabilitation, and emotional trauma. Working within the framework of the Criminal Injuries Compensation Authority (CICA), the organisation assists with navigating complex application processes and ensuring eligibility criteria are met. It often liaises with legal professionals, medical experts, and victim support services to build strong claims. Criminal Injury aims to provide accessible guidance and fair outcomes for victims seeking justice and financial relief after traumatic events.
